# Finance & Administration Election

## Candidates

1. Griffin Timm

## Process

- Griffin will speak for 3 minutes to the GB
- There will be no Q&A / Discussion - the candidates were vetted by e-board for things such as hours of availability, etc.
- Voting rights processes have been waived so everyone can vote as an individual

# Business Items

How do I get voting rights for business items?

- Still have to attend 3 meetings to get voting rights (including the meeting where voting is taking place)
- Now it is for everyone - not just presidents, hall reps & finance. If you have come for 3 meetings, your hall has voting rights.
- You vote as a unit -> not as a majority rules, as a consensus. Discussion will take place. Be mindful of everyone's opinions.
- Single votes will only occur for elections.

Civic Engagement Position is open !

- Election held October 3rd
- Follow standard election procedure outlined in the constitution found on [rha.syr.edu](http://rha.syr.edu) under “governing documents”
