 - Would have to be a formal amendment - which means approved by the Executive Board and then the General Body, again
 - [Sadler] When would this position be open?
 - The timeline hasn't been created, yet, but it will be created at this coming Executive Board meeting and then open to the General Body on Tuesday (more than likely)

 - **Discussion (3min)**
 - [NRHH] Feels that this is a key and very important goal, on-campus and across the world inclusion needs to be an active role in our communities rather than a passive role
 - *[Lawrinson] Moves to end Discussion*
 - Passes
 - **Voting**
 - *Vote to pass the amendment*
 - Passes (unanimous)
